

Admissions Information for Families

If you need any support in accessing school admissions, please contact the school to which you would like to apply and they will help guide you through the process.

On their local school website, each school will have a published PAN: The Published Admission Number (PAN) for every year group into which pupils can be admitted, including Year 12 when there is a 6th form. The PAN is the maximum number of pupils that the admission authority will admit to each year group.

On the Trust website we have published policies for the current and following academic years.

If you live in North Yorkshire, application for main school places can be found here: <https://www.northyorks.gov.uk/education-and-learning/school-admissions>

If you do not live in North Yorkshire, you must apply for our schools by completing the application form for your home authority.
